

KENILWORTH CHRISTMAS CAMP

Under age-campers

While it is the aim of the camp organisers to ensure that everyone has a great time of fellowship, it is also important that all members remain safe. As the Kenilworth Showground is a facility that is open to the general public it is considered necessary to implement a safety policy for children and teens who have not reached the age of 18. Similarly, as we are a large group sharing a camping ground with private campers, it is our responsibility to respect the peace and quiet of their holiday stay.

Therefore all campers who are under the age of 18 and who are not camping with their parents must be under the supervision of a responsible adult. The supervising adult must be over the age of 21 and be known and deemed responsible by the child's parents and assembly pastor or youth group leader.

A permission form will need to be signed by the

1. Underage camper's parents
2. Assembly pastor/ youth group leader
3. Under age camper (to show that they understand their responsibility to adhere to camp rules and to respect their supervising adult)

Any YG member over the age of 21 may have no more than 2 under age campers under their supervision.

Conditions for under age-campers:

- Any camper under the age of 18 will need to stay on, or adjacent to, the supervising adults camp site.
- At all times the supervising adult must know the whereabouts of the person in their care, especially after dark.
- Under age campers are not to leave the campsite (Show grounds) without permission of the supervising adult (In the case of responsible youth close to adult age this may be a case of advising their supervising adult).
- Those under the age of 18 are not to be transported in any car or vehicle off-site without the permission of the parent.
- It will be the supervising adult's responsibility to ensure that their charge abide by the general camp guidelines.

Permission Signatures

PARENT I agree to the conditions for my child to attend the Revival Fellowship Kenilworth Camp.

My childwill be under the supervision of
